CUBIC STARTUP INCUBATOR

COMPANY PROFILE 2025

Work, Socialize, Grow!

About Cubic Startup Incubator

Built in 2016, PT. Kubika Sejahtera Indonesia (Cubic Startup Incubator) is a private organization that provides incubation programs for small businesses, cooperatives, and startups, in various fields. Through our "Business Highway" concept, we create a business ecosystem that supports SMEs, cooperatives and startups growth while fostering collaboration with investors, government agencies, private enterprises, media, communities, and other potential clients.

***"We commit to build
Indonesia 4.0 industry
ecosystem in facing global
competition"***

VISION

Become the best business ecosystem provider in Indonesia

OUR MISSION

- ✓ Organize an incubator program focusing in scalable and continuous innovation
- ✓ Provide supporting facilities to build creative and productive startups
- ✓ Organize funds to create growth and profit for startups and investors.
- ✓ Become a hub for startups by using integrated program and cooperate with investor, government, company, scholars, media and communities

Cubic Research Labs

Cubic Research Labs assist governments, businesses, and startups in conducting research on small and medium-sized enterprises (SMEs), innovations, and other related topics.

Incubator Development

With nearly a decade of experience, Cubic is well-equipped to help government agencies, private companies, universities, and other organizations in the creation and development of business incubators within their respective entities.

INCUBATION PROGRAM

Coaching and Mentoring

During the incubation period, the startup will receive guidance and support from a certified coach and an expert mentor.

Business Class

In the Startup Class, participants gain technical knowledge and skills related to effective startup management.

Business Conversations

Startup Talk invites seasoned experts and successful founders to share their experiences and inspire our tenants.

Annual Business Visits

Each year, we visit a series of business offices to gain firsthand insight into their culture and daily operations.

Business Matching

Businesses have the opportunity to present their ideas to angel investors, venture capitalists (VC), and various financial institutions.

Investor Meetup

We make direct visits to angel investors or venture capitalists to connect our tenants with potential investment opportunities.

Market Day

Cubic hosts an event that connects businesses with their potential market in just one day.

Delta Incubator Program

Cubic & DISKUK Jabar

The Delta Incubator Program, managed by Cubic Incubator for DISKUK Jabar, supports small and medium enterprises (SMEs) in West Java. It offers a comprehensive curriculum, workshops, and activities aimed at fostering innovation and entrepreneurship. Participants receive expert mentorship, networking opportunities, and practical training to turn business ideas into viable ventures, promoting a collaborative ecosystem for SME growth and success in the region.

HADE MARKET

Cubic & DISKUK Jabar

HADE Market is an peak event for aspiring entrepreneurs from Delta Incubator to present innovative products to investors and customers. It features diverse stalls, along with workshops and networking opportunities. This event is a collaboration between Cubic & DISKUK Jabar.

SPEEDDATING

Cubic & KEMENPERIN

Investor speed dating, organized by Cubic and Kemenperin, connects startups with investors to explore partnerships. Entrepreneurs present innovative ideas in brief sessions, fostering collaboration. This event brings together diverse investors and startups, revitalizing the entrepreneurial ecosystem and promoting idea exchange for growth.

Temu Bisnis Delta Incubator

Cubic & DISKUK Jabar

Temu Bisnis Delta Incubator connects SMEs from the Delta Incubator Program with stakeholders to support business growth. Entrepreneurs can network with investors, mentors, and experts through panel discussions, workshops, and pitch sessions to showcase innovative ideas. The event encourages collaboration and experience sharing, focusing on sustainability and scalability to help SMEs overcome challenges and achieve long-term success.

Cubic.inc

Entrepreneur Development 2024

Cubic & KEMENKOPUKM

Entredev (Entrepreneur Development) is a business consulting initiative by the Ministry of Cooperatives and SMEs aimed at helping entrepreneurs grow their businesses. It offers workshops, mentorship, and resources to empower business owners, providing networking opportunities and expert insights. By fostering collaboration and experience sharing, Entredev supports sustainable growth and regional economic development.

LPDB Incubator

Cubic & LPDB-KUMKM

The Incubator Partnership, part of LPDB-KUMKM, supports Cooperatives and SMEs to enhance entrepreneurship and strengthen the Indonesian economy. It offers resources, mentorship, and a supportive environment for new ventures to develop sustainable businesses. Participants access a professional network and funding opportunities, fostering innovation and growth. This initiative promotes economic resilience, job creation, and community empowerment through collaboration with stakeholders.

StartupForIndustry

Cubic & KEMENPERIN

The Ministry of Industry (Kemenperin) has launched a program to connect startups with small and medium industries (IKM) to address their challenges using technology. This initiative fosters collaboration, allowing startups to showcase their solutions while IKM gains access to innovative technologies that improve efficiency and competitiveness. It promotes economic growth and a culture of innovation through workshops, mentorship, and networking, empowering participants to scale their operations and enhance the industrial ecosystem.

Cubic.inc

Final Pitch StartupForIndustry

Cubic & KEMENPERIN

The concluding pitch highlights the outcomes of the technology implementation project that has been carried out, showcasing its effects on both the small and medium-sized enterprise (SME) and the emerging startup. This final presentation reveals the results of the technology implementation project, shedding light on its influence on both the SME and the growing startup.

UMKM Untuk Indonesia

Cubic, Inotek & SETC

This program aims to boost the competitiveness of micro, small, and medium enterprises (MSMEs) while tapping into regional potential and uplifting local communities. It includes a variety of components such as training in both hard and soft skills, applied research initiatives, market assistance, and business consultation services. Additionally, the program facilitates networking opportunities for MSMEs, fostering collaboration and growth within the sector.

Women Ecosystem Catalyst

Cubic, Impala & SETC

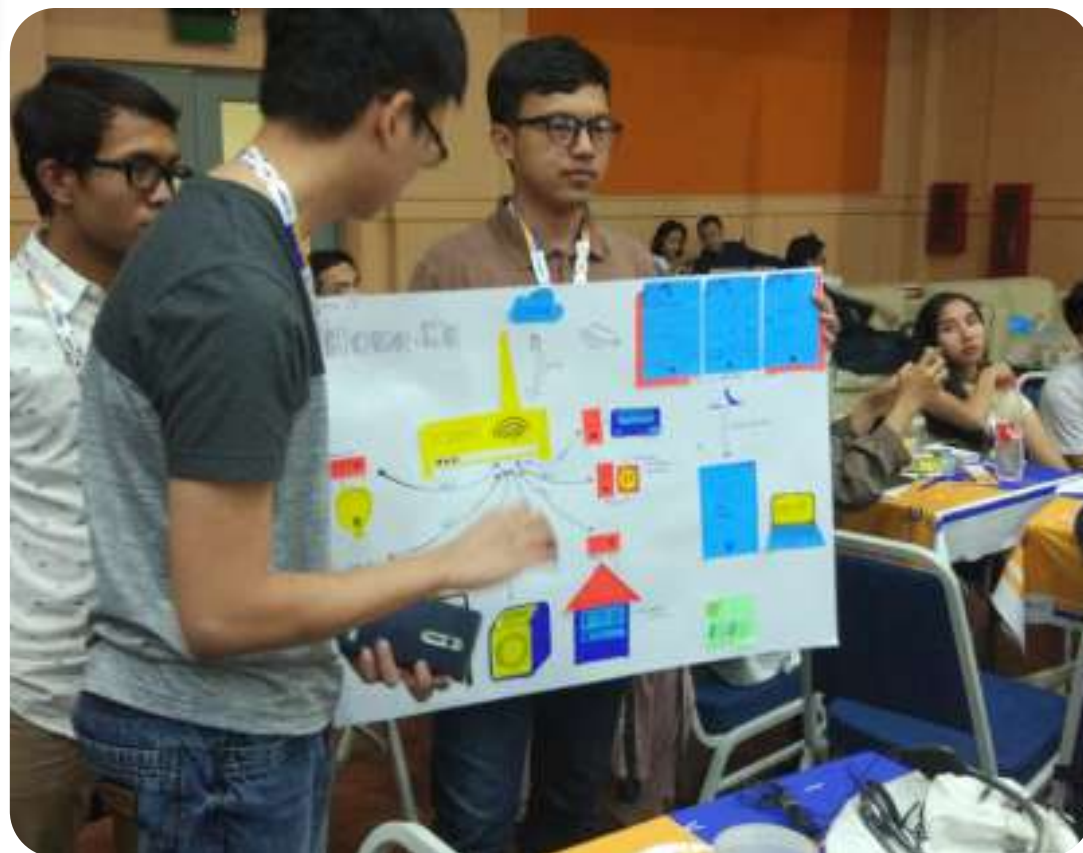

The Women Ecosystem Catalyst supports women entrepreneurs by offering resources, mentorship, and networking. It partners with industry leaders to foster innovation and collaboration. Through workshops and training, participants develop essential skills and confidence, aiming for individual success and a more inclusive business environment for future women leaders.

SMEXPO PERTAMINA

With Pertamina

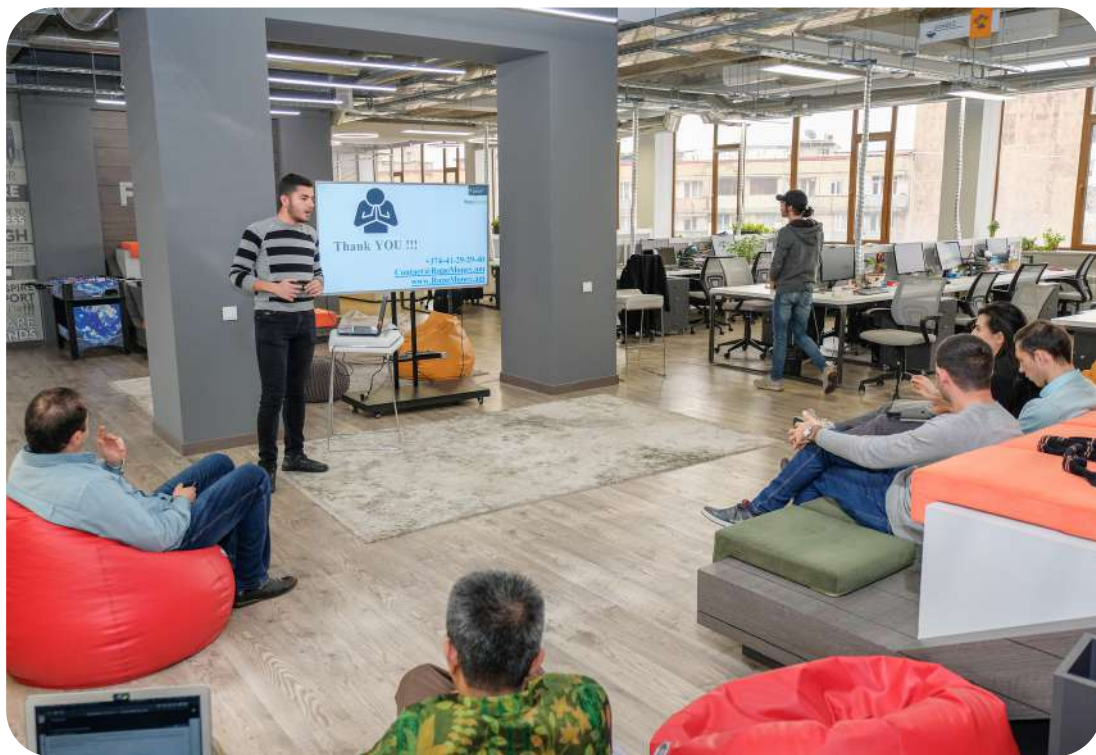

We are partnering with Pertamina to organize an offline event aimed at promoting SMEs to the market. This collaboration seeks to create a platform for small and medium-sized enterprises to showcase their innovations.

Co Incubation with other incubator

With ITB, STP NHI & Cimahi Technopark

We partner with various incubators to host incubation programs, such as the SBC ITB Bootcamp in 2018 (left), the Enhaii Entrepreneur Program in NHI Bandung 2018 (center), and the Government of Cimahi initiative in 2019 (right).

International Co Incubation

Armenia & United Kingdom

Cubic joined the Co-Incubation International delegation in Armenia in December 2019 (left). Meanwhile, our tenant participated in the Leadership in Innovative Fellowship in the United Kingdom in February 2020 (right).
